Subject: Agenda for April 18 Meeting

Here is a draft agenda for the Friday, April 18th meeting which will be held from 9 to 3 in Room 1412 of the Resources Building at 1416 Ninth Street in Sacramento.

I have also included a chart that includes all the stressors identified by the geographical technical teams organized into groups as a "strawman" that we can use at the beginning of our meeting tomorrow. Copies of all the technical team reports will be available at the meeting in case you have not yet received all of them. We look forward to seeing you tomorrow.
